

The Country Club

The Country Club Original embodies refined estate-style living with a grand, symmetrical exterior, sweeping rooflines, prominent gables, and an impressive central entry. Inside, soaring ceilings enhance the open-concept kitchen, dining, and great room, creating a dramatic main living space that opens directly to an expansive covered lanai. The kitchen is complemented by a hidden pantry with ample space for a custom scullery, while a private den offers a dedicated retreat. The secluded master suite features a vaulted ceiling, spacious bath, and walk-in closet, while additional suites, generous storage, and a substantial garage complete this exceptional custom home.
