

# *The Hideaway*

A fitting name for a home you'll never want to leave, the Hideaway's exterior is just the beginning of the unique characteristics of this home. Some of these features include a grand master suite, his and her studies, a cater pantry, wine cellar, and an oversized laundry room with a dog wash station. Guests can enjoy their private suites in this expansive split and open floor plan. Outdoor living is a must with the oversized lanai that includes plenty of room for an optional summer kitchen that can be opened to the adjacent bar in the study.
