

The Isla

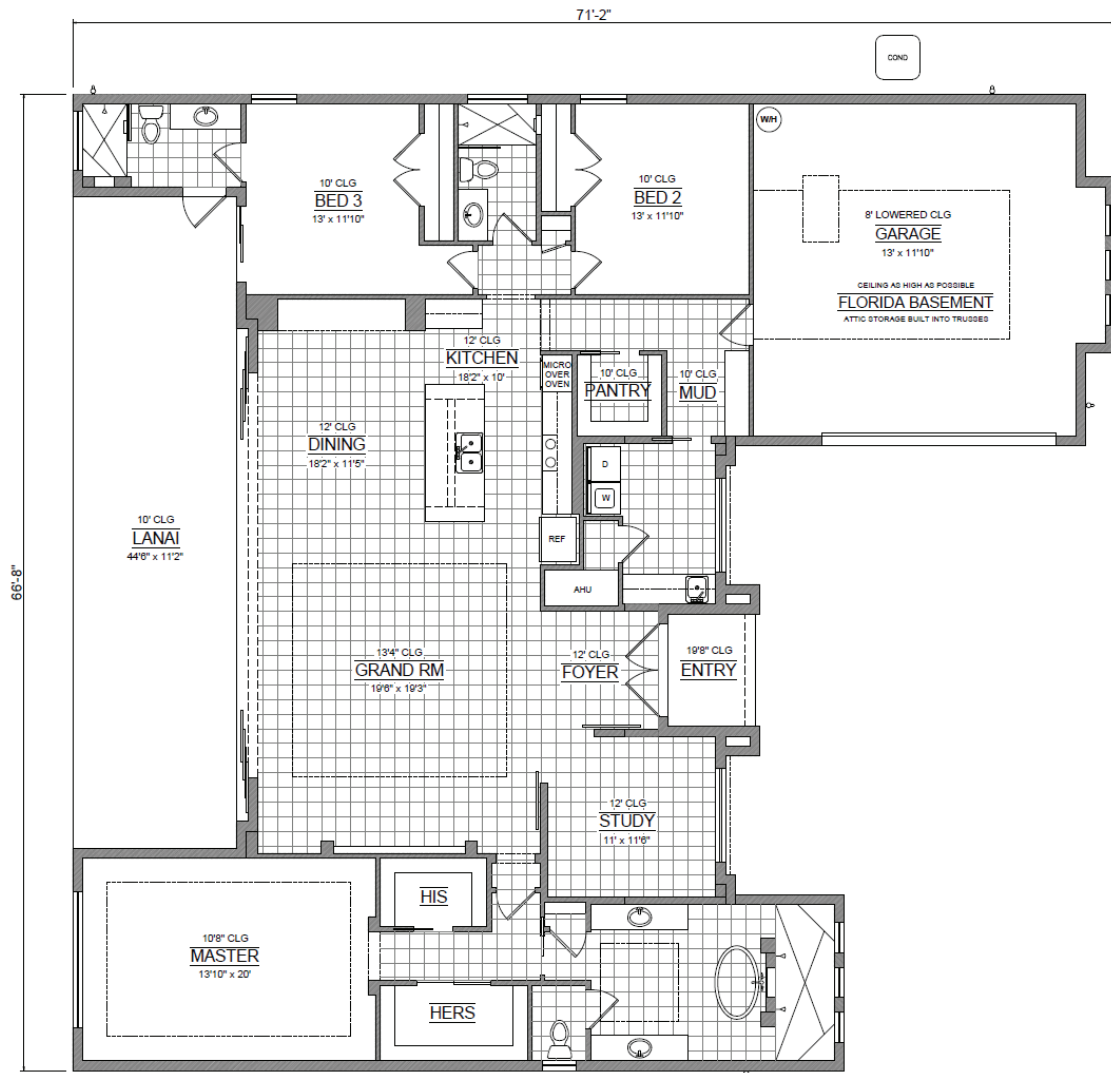

The Isla offers 3,710 total square feet with 2,590 square feet of living space. The open layout centers around a spacious grand room with 13-foot ceilings that flows into the dining area and kitchen, creating a seamless living and entertaining space. The kitchen features a large island, walk-in pantry, and access to a mudroom area. The private owner's suite includes dual walk-in closets, a large bath, and direct access to the lanai. Two additional bedrooms and a shared bath are located on the opposite side of the home, providing privacy for guests. The plan also includes a front study with 12-foot ceilings, a covered lanai extending nearly the full width of the home, and a two-car garage. The exterior presents a refined, Cape Dutch façade that highlights natural light and grand curb appeal.
