

The Sabal

Contemporary, clean lines define the exterior façade of the Sabal. Upon entering the house, the foyer leads to an large open concept floor plan featuring a combined great room, galley style island kitchen and dining area. This home features a walk-in pantry with plenty of room for storage, a mud room area, and a great size laundry room. Outdoor living is a must in this home with the enormous covered lanai that spans the width of this home. The large master suite has rear-oriented views and the master bathroom has a large double vanity, a luxurious walk-in shower, and a free standing tub. At 3100 square feet, two story house plan includes 4 bedrooms, 4 full baths, and a bonus room area.
