

# The West Naples

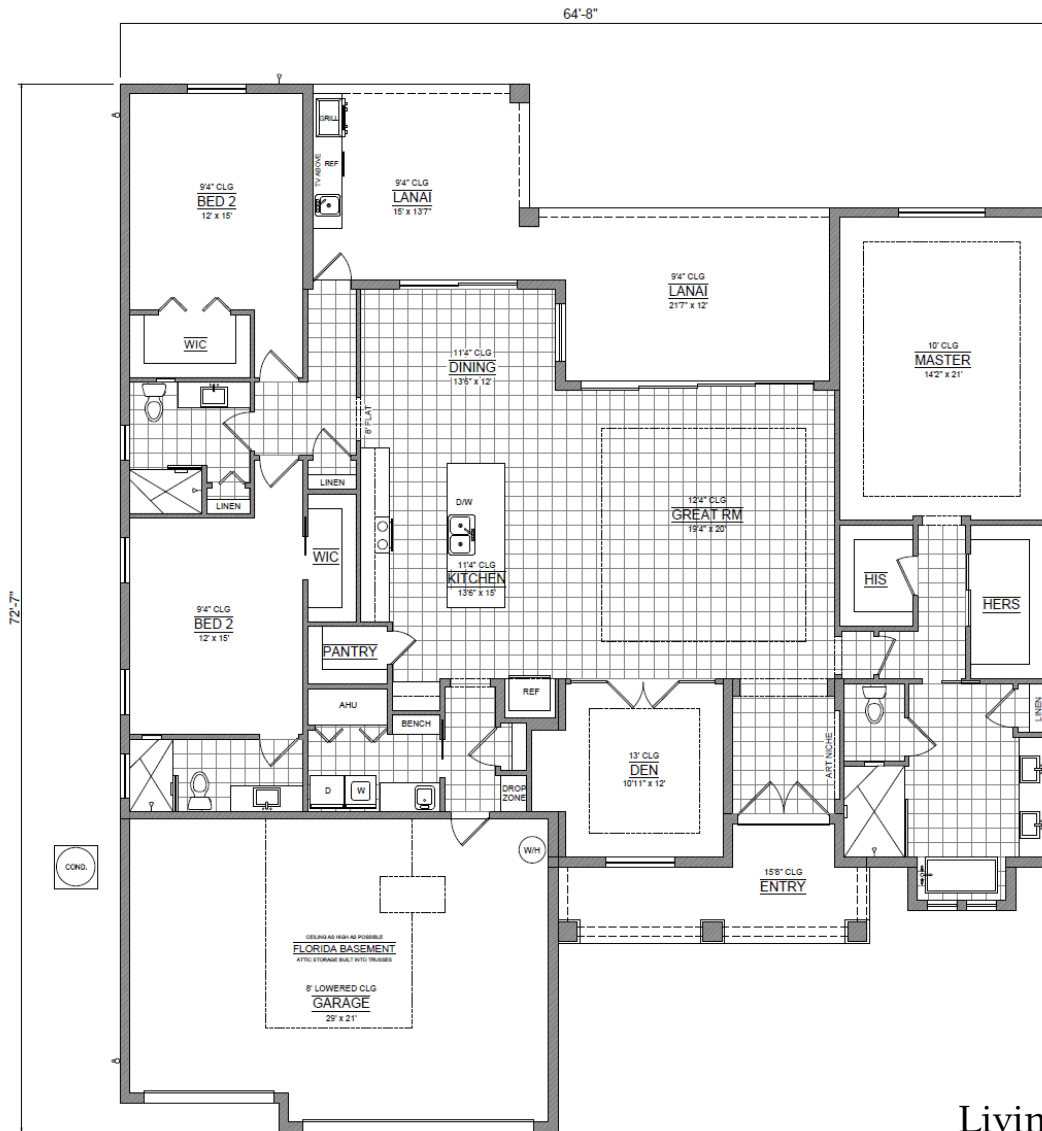

Inspired by Naples architecture, the exterior of this home does not disappoint. A floorplan created for a host, the open concept brings the outdoors in with two sliding glass doors in the main living space. The West Naples has a split floor plan, allowing the Master Suite to be set apart from the two Guest Rooms, ensuring optimal privacy. Within the 3868 square feet, this home contains 3 bedrooms, 3 bathrooms, a den, a large covered lanai, and a 3 car garage.
